**March 8, 2014  
7pm**

**RESULTS Australia, RESULTS Canada, RESULTS UK, and RESULTS US**

**Before March 8:**

- First, on the computer you will be using, test your browser and download the required Meeting Manager by joining a test meeting here: <http://www.webex.com/test-meeting.html>. Enter your name and email address and follow the directions to set up the test meeting.
- Then, check whether you have the appropriate players installed for rich media files to ensure you can view all the presentations by checking here: <https://worldbankgroup.webex.com/worldbankgroup/systemdiagnosis.php>.

**On March 8:**

- Ten minutes before the call begins, follow this URL to access the webinar video and visuals on your computer:  
<https://worldbankgroup.webex.com/worldbankgroup/j.php?MTID=md028b16869d56fe65bc99c9f0c239477>.
  - Follow instructions to enter your name, email address, and password (below), and then click "Join Now."
  - If you try to join early and the entry fields appear dimmed, it is because the meeting has not yet started. Periodically click the refresh button until you are able to enter the information.
- There are two available audio options to listen to the call:
  - Use a regular phone to call-in to the webinar. You can use these local numbers while you are watching the webinar on your computer or if you're not able to be in front of a computer and just want to listen to the conversation. *This is the preferred method of audio connection, especially if you are hoping to ask a question as it is the least likely to cause echoes, connection issues, etc.*
    - UK:
      - Toll-Free: 0800-051-7038
      - Toll: 44-203-478-5293
- You will need the meeting password and number to access the webinar:
  - Meeting Password: 6265
  - Meeting Number: 730 725 478
- For detailed information on how to access the webinar, watch a video here:
